Car Rental Packages Jaipur

Car rental packages in Jaipur fall in four main types: **local city packages** (8 hours / 80 km or 12 hours / 120 km), **outstation packages** charged per km, **airport and railway station transfers** at a fixed rate, and **one way drop packages** for a single trip. For a day in the city, a local 8 hour sedan with driver works for most families. For Pushkar, Ranthambore, Delhi, Agra or Udaipur, outstation car hire with driver gives the best value. The final rate depends on the car type, the number of days and the total distance. A hatchback or sedan costs less, while an SUV, Innova Crysta, 8 seater or tempo traveller costs higher per km. Service Bazzar lists verified car rental companies in Jaipur, so you can compare packages, cars and rates in one place and then talk to the operator directly. This guide explains each package in plain words, so you can pick the right plan before you book.

What Is a Car Rental Package?

A car rental package is a fixed plan that sets the hours, the kilometres and the price before the trip starts. You pay one amount for a set time and distance. Extra hours or extra km are charged at a stated rate. This is easier than a plain meter taxi, because you know the cost in advance and the driver knows the route plan. Most car hire companies in Jaipur offer three base plans: local, outstation and transfer. Some also offer self drive cars, monthly cabs and event cars on request.

Local Car Rental Packages in Jaipur

Local packages are made for travel inside the city. They suit tourists, families, business visitors and people who run errands across Jaipur in one day.

8 hours / 80 km package

This is the most popular local plan. It covers a half day of city travel with a driver, fuel and the car. A sedan such as Swift Dzire, Aura or Etios usually costs around Rs. 1,800 to Rs. 2,500 for this plan. An SUV or Ertiga is usually in the range of Rs. 2,800 to Rs. 3,800. Rates shift with the season, so ask for a current quote.

12 hours / 120 km package

Pick this plan for a full day tour. A common route is Amber Fort, Jal Mahal, Hawa Mahal, City Palace, Jantar Mantar, Nahargarh and Jaigarh. The longer plan saves money against two separate 8 hour plans and gives your family a relaxed pace.

Extra hour and extra km charges

When the trip runs past the package, the driver adds a small charge for each extra hour and each extra km. Ask for both rates before you confirm. A clear rate card removes any dispute at the end of the day.

Outstation Car Rental Packages from Jaipur

Outstation car hire is charged per km, with a daily minimum, usually 250 to 300 km a day. A sedan generally runs near Rs. 11 to Rs. 14 per km, an Ertiga near Rs. 14 to Rs. 17 and an Innova Crysta near Rs. 18 to Rs. 22. Toll, state tax, driver allowance and night halt charges are often listed apart from the base rate, so read the quote in full.

Jaipur is a strong base for road trips. Ajmer and Pushkar are about 135 to 145 km away. Ranthambore is near 180 km. Agra is close to 240 km, Delhi close to 280 km, Jodhpur close to 340 km and Udaipur close to 400 km. Short trips such as Sambhar Lake, Samode and Abhaneri fit well in a single day.

Airport Transfer and Railway Station Pickup

Airport car rental in Jaipur is a fixed rate plan between Jaipur International Airport at Sanganer and your hotel or home. Railway station pickup works the same way for Jaipur Junction and Gandhinagar. Drivers track your flight or train time, so a late arrival does not break the plan. Most sedan transfers within the city fall near Rs. 600 to Rs. 1,000, and the rate is higher for outer areas such as Jagatpura, Mansarovar, Tonk Road and Vaishali Nagar.

One Way Car Rental from Jaipur

A one way drop is for a single trip, such as Jaipur to Delhi, Jaipur to Agra or Jaipur to Udaipur. You pay for the distance one way, and some operators add a small return charge. Many operators offer a flat one way taxi rate on popular routes, which costs less than a round trip rental. Ask whether the quote has toll and tax, so the price stays the same at drop.

Self Drive vs Car with Driver

Self drive car rental in Jaipur gives you the wheel. You must show a valid licence, an ID proof and a refundable deposit. It suits people who know the roads and want full control of time. A car rental with driver suits first time visitors, large families and long road trips, because the driver knows traffic, routes and good stops. Chauffeur driven cars are also the usual choice for marriage functions, business meetings and guest pickup.

Which Car Should You Pick?

- **Hatchback (Swift, i10):** lowest rate, good for one or two people on city trips.
- **Sedan (Dzire, Aura, Verna):** the most booked car for couples and small families, with good boot space.
- **SUV and Ertiga:** seats 6 to 7, a strong pick for family tours and hill roads.
- **Innova Crysta:** roomy and calm on long routes, the top choice for outstation family travel.
- **8 seater and tempo traveller:** for groups of 8 to 17, such as a marriage party or office trip.
- **Luxury car rental:** Mercedes, BMW, Audi or Fortuner for events and corporate guests.

What Is Included and What Is Not

Most packages include the car, a driver, fuel and basic insurance. These items are often charged apart:

- Toll tax and state entry tax
- Night halt and driver allowance on multi day trips
- Extra hours and extra km beyond the plan
- Car park fee at forts, malls and hotels
- GST, as per the company invoice
